## WORK EXPERIENCE

### **City of San Marcos:** Discovery Center Intern (Sept 2016-Present)

Assists in various activities pertaining to the maintenance of the San Marcos Discovery Center and the implementation of the Habitat Conservation Plan. Activities have included: general grounds maintenance and upkeep at the Discovery Center, assisting in native plant care and propagation, litter removal from riverside parks, removal and treatment of invasive plant species.

### **Westcave Outdoor Discovery Center:** Conservation Intern (Sept 2016-Present)

Assists the land manager in various tasks pertaining to the upkeep of the property. Activities have included mowing and maintenance of trails, minor maintenance on property bird blind, and reseeding of native prairie wildflowers.

### **Galveston Bay Estuary Program of the Texas Commission on Environmental Quality:** Mickey Leland Environmental Intern (May 2015-Aug 2015)

Assisted the program manager in evaluating the program's progress in achieving the goals set in the Galveston Bay Comprehensive Conservation Management Plan. This information was compiled from reports as well as from partnering entities and compiled into a report to aid in the future revision of the Galveston Bay Plan.

### **Texas State University:** Instructional Assistant, Modern Biology (Jan 2015-May 2015)

Facilitated lab experiments, lectured on lab concepts, as well as created and graded quizzes and tests.

### **Houston Zoo:** Aquarium Intern (June-Aug 2014)

Assisted in the care and upkeep of animals and exhibits in the Houston Zoo's Aquarium.

### **Downtown Aquarium-Houston:** Educator (May 2013-Jan 2016)

Interacted with guests, answered questions about exhibits, opened and closed exhibits, and assisted in classroom programs involving subjects pertaining to marine biology and ecology.
